The AICTE has introduced the Supernumerary Quota in all Govt./Aided/Private Polytechnics. Five percent (5%) of the seats in each Polytechnic and in each course will be reserved as Supernumerary Quota. This Quota is over and above the intake sanctioned by the Government. For example, there are 60 seats in Mechanical in a particular Polytechnic, the Supernumerary Quota for Mechanical in that particular Polytechnic will be 3 seats. Therefore, the total intake in that Polytechnic for Mechanical will be 63. The tuition fees prescribed by the Government in that particular Polytechnic will be waived off. But, the candidate has to pay other fees (Development+Misc). However, the candidates who obtain Admission Order under Supernumerary Quota are not eligible for change of course and polytechnic any time during the period of study. The Income limit for claiming seat under SNQ quota for the current academic year will be as per G.O. No.Ed 72 TEC 2013, Dt:23-05- 2014 which is notified on the official website ([www.dte.kar.nic.in](http://www.dte.kar.nic.in)) of DTE after obtaining directions from the Government. The seat allotment stages under this quota will be as under.

**First Stage:**

## 14 Results of Admission under Vacant Seats

Admission during the AY 2021-22 is conducted through online non-interactive mode in the first stage and offline interactive mode for vacant seats in the later stages.

**i. ONLINE-Non Interactive Mode**

For first round applications are received from eligible candidates and application data is entered in state-level portal for online admission. Merit list is published first based on the marks obtained by the candidates in SSLC (qualifying examination) and then seats are allotted according to merit and reservation category of the candidates. This process is controlled through the State-level portal under the supervision of Admission Task Force, DTE, Karnataka.

**ii. OFFLINE-Interactive Mode**

After the last date for joining of the candidates allotted through online mode, applications are invited again for the remaining vacant seats through offline mode. Offline-interactive mode of admission is conducted by the selection team headed by the Principal including Registrar and HODs in the Institution level.

Offline Mode of admission is conducted in three phases:

**Phase 1 (Merit Based):** Seat Matrix is prepared for the vacant seats based on the reservation percentage for various categories as per the GO. Allotment is done in the order of merit of candidates. Three round of allotment is done in Phase 1.

**Round 1:** Allotment is done according to original seat matrix considering Urban, Rural or Kannada medium study claim of the candidates in each category, in the order of merit.

**Round 2:** On completion of Round 1, remaining vacant seats in each caste category are converted to open seats (by merging U, R, K).

**Round 3:** On completion of Round 2, remaining vacant seats are converted to General Merit (GM).

**Phase 2 (Merit Based):** The vacant seats at the end of phase 1 are filled by inviting fresh applications on merit basis.

**Phase 3 (FCFA):** The vacant seats at the end of phase 2 are filled by inviting fresh applications on First Come First Admission (FCFA) basis.
